Abstract. An abstract of 250 words or less must be included, summarizing the purpose, methodology, results and conclusions. Formulas and references should not be included in the abstract.

Keywords. Keyword1; Keyword2; Include up to five keywords separated by semi-colons starting with capital letters.

1 General Instructions

Participants are encouraged to submit a contributed paper for presentation at METMAVII-GRASPA14. Authors should send an extended abstract (**up to 4 pages**) in .pdf format. It is strongly recommended to follow the \LaTeX template available in the conference web site:

www.graspa.org/metmagraspa

Any manuscript submitted in technical unsuitable form will be returned to the author for retyping. The language of METMAVII-GRASPA14 is English. Not correct English written papers may need to be rejected.

1.1 Paper submission

Prior to submission, authors are required to create an online account at the conference site (follow the link “**account**”). Note that if you already have an account with another conference on the SIS (Italian Statistics Society) site, you do not need to create a new one.

The .pdf file needs to be submitted via the conference website no later than 30th April 2014 inclusive. Convert your .tex file to .pdf and submit your paper, by following the instructions provided in the link “**submission**” on the web site. Formal acceptance of the abstracts for presentation will be communicated on 30th June, at the latest.

1.2 Tables and figures

Format your tables and figures as in the following examples. We refer to Table 1 for a summary of our main results and Figure 1 for a graphical representation.

Title col1	Title col2	Title col3
row1 col1	row1 col2	row1 col3
row2 col1	row2 col2	row2 col3
row3 col1	row3 col2	row3 col3

2 Paper publishing

A Special Issue will be organized for publishing papers presented in the conference. Guidelines and deadlines for submissions will be announced in due course (journal still to be determined).

Acknowledgments. The Organizing Committee would like to thank the Department of Economics and Statistics “Cognetti de Martiis” and the University of Torino for hosting the meeting, as well as TIES, SIS and SEIO for supporting the METMAVII-GRASPA14 workshop.
